This Agreement contains the entire agreement between the parties and supersedes all prior and contemporaneous agreements, arrangements, negotiations and understandings between the parties relating to the subject matter hereof. There are no other understandings, statements, or promises of inducement, oral or otherwise, contrary to the terms of this Agreement. The failure of either Party to require strict performance by the other Party of any provision hereof shall not affect the full right to require such performance at any time thereafter, nor shall the waiver by either Party of a breach of any provision hereof be taken or held to be a waiver of the provision itself. This Agreement shall be binding upon, and inure to the benefit of, IEEE and its successors and assigns.
